METHODOLOGY

 Directed by *Juan Meza*

TECHNICAL DIRECTOR · PREMIER PADEL CIRCUIT

Juan Meza

Coach of Sanyo Gutiérrez · World Padel League

One of the most prominent coaches on the international Premier Padel circuit. Juan Meza is known for working with elite figures and former world number ones. The entire week is structured around the method he uses with professional circuit players — five days on court, morning and afternoon sessions, tactical talks and targeted physical work.

"This is not a camp. It's a week where padel is lived at the highest level, with the rhythm of the Mediterranean and the closeness of the best professionals on the circuit."
